

Mount Calvary Baptist Church

Bishop W. Oshea Granger, Senior Pastor

WWW OCTOBER 2020

A Fresh Focus - The Book of Proverbs

1. Read one chapter of proverbs every day for the month of October from a translation you have not used in the past. For example, read Proverbs in the NIV if you normally use the NKJV.
2. Journal about what you read.
3. Share what you learned with one person each day.

A wise person is able to recognize the right decision ahead of time and choose the "path" that leads to blessing, happiness, and even wealth. In Proverbs, the word "wisdom" is pictured as a "woman" who was with God at the time of creation (8:22-31) and who invites all to live according to good sense and sound judgment (8:1-9:6).

Proverbs is a collection of wise sayings written by King Solomon and other authors. (Song of Songs and Ecclesiastes, Proverbs)

PURPOSE OF PROVERBS:

From Proverbs 1:1-7 we learn some clear statements about the purpose of the book's many proverbs:

1. To teach wisdom and self-control.
2. To learn what is right and honest and fair, and to gain knowledge and good sense.
3. True knowledge (or wisdom) is discovered in respecting and obeying the LORD, who is the source of wisdom (2:6).

Proverbs also describes wisdom as a gift from God.

Hello, please join me in this month's challenge. Let's ask the Holy Spirit for fresh illumination into the book of Proverbs. Set aside time to pray, read, meditate and apply Proverbs.

In the natural, wear a mask, walk 6 ft. from others and wash your hands often; in the spiritual, wear the whole Armor of God, walk by faith and not by sight and be washed in the blood of the Lamb.

Much Love, Katrina
